The Experience

AT THE CORE OF OUR HABITAS EXPERIENCE ARE OUR SIX PILLARS OF PROGRAMMING

Music, Wellness, Food & Beverage, Adventure, Art and Learning.

Wellness

WELLNESS IS WOVEN INTO THE FABRIC OF EVERYTHING WE DO

The way we eat, sleep, exercise, dance, travel, connect, share and live. Our experience takes a holistic approach to lifestyle wellness that touches on the mind, body, spirit and, of course, human connection.

Community

TURNING STRANGERS INTO FRIENDS AND FRIENDS INTO FAMILY

Our unique programming is designed to bring guests together, turning strangers into friends and friends into family. We encourage genuine human connection and believe authentic self-expression is best achieved in safe spaces surrounded by nature.

Immerse with Nature & Culture

WE FORGE DEEPER CONNECTIONS BY COMBINING NATURE WITH GROUNDING EXPERIENCES

By combining nature with grounding experiences, our home allows us to forge a deeper connection with the planet and ourselves. From our Welcome Ceremony to Family Dinners, Our Habitas rituals invite us into the present moment. At our home in Ras Abrouq, we invite you to join immersive cultural workshops, adventure activities, such as guided paddle boarding and glass bottom kayaking, and gather for Sunset Rituals with live local music.

Conservation

With the discovery of rare and beautiful places comes great responsibility. Our purpose is to protect our one true home, planet Earth, by creating immersive spaces that deepen our awareness of the natural world. We seek to educate and inspire while holding transparency in high regard.

FREE OF SINGLE-USE PLASTIC

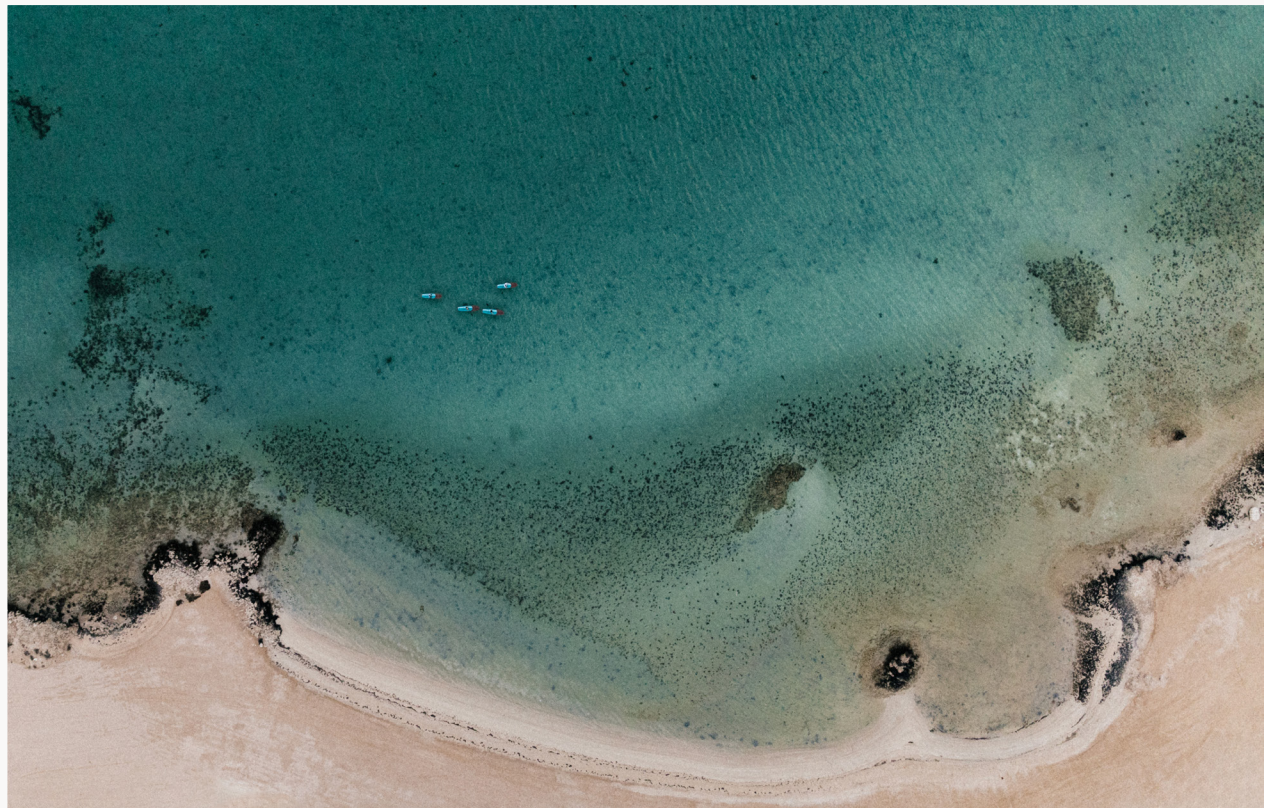

We are committed to eliminating single-use plastic throughout all of our Homes and have been awarded the Oceanic Champion Badge for adopting Oceanic Global's highest standards.

WASTE MANAGEMENT

Waste classification is the most important step toward better waste management. We work with local organizations to manage excess waste from our daily operations by recycling and composting.

SUSTAINABILITY

- Solar Power
- International Landscaping
- Sewage and Waste Treatment
- Recyclable Water Irrigation

Habitas Rise

Habitas RISE is our global impact initiative focused on empowering local communities, cultures and conservation efforts. We create economic and educational opportunities for the local people living in the places we call home, building micro-economies, creating jobs and working closely with these communities to address social and environmental issues.

LOCAL TALENT

We work closely with the Qatar community and diverse cultural scene to source locally, support artisanal work and provide a platform for artists to create and perform.

Food & Beverage

Our restaurant Qissa—meaning story in Arabic—is where the essence of local Qatari, Middle Eastern and Mediterranean flavors come together to create a narrative of taste and tradition.

Looking out to the Arabian Gulf's tranquil waters and mesmerizing sunsets, our indoor-outdoor space embraces shared dining, presenting dishes family-style to deepen connections and conversations. Because of this, Qissa becomes a place where stories are exchanged, laughter is shared and bonds are forged, echoing the close-knit social fabric that defines Qatari culture.

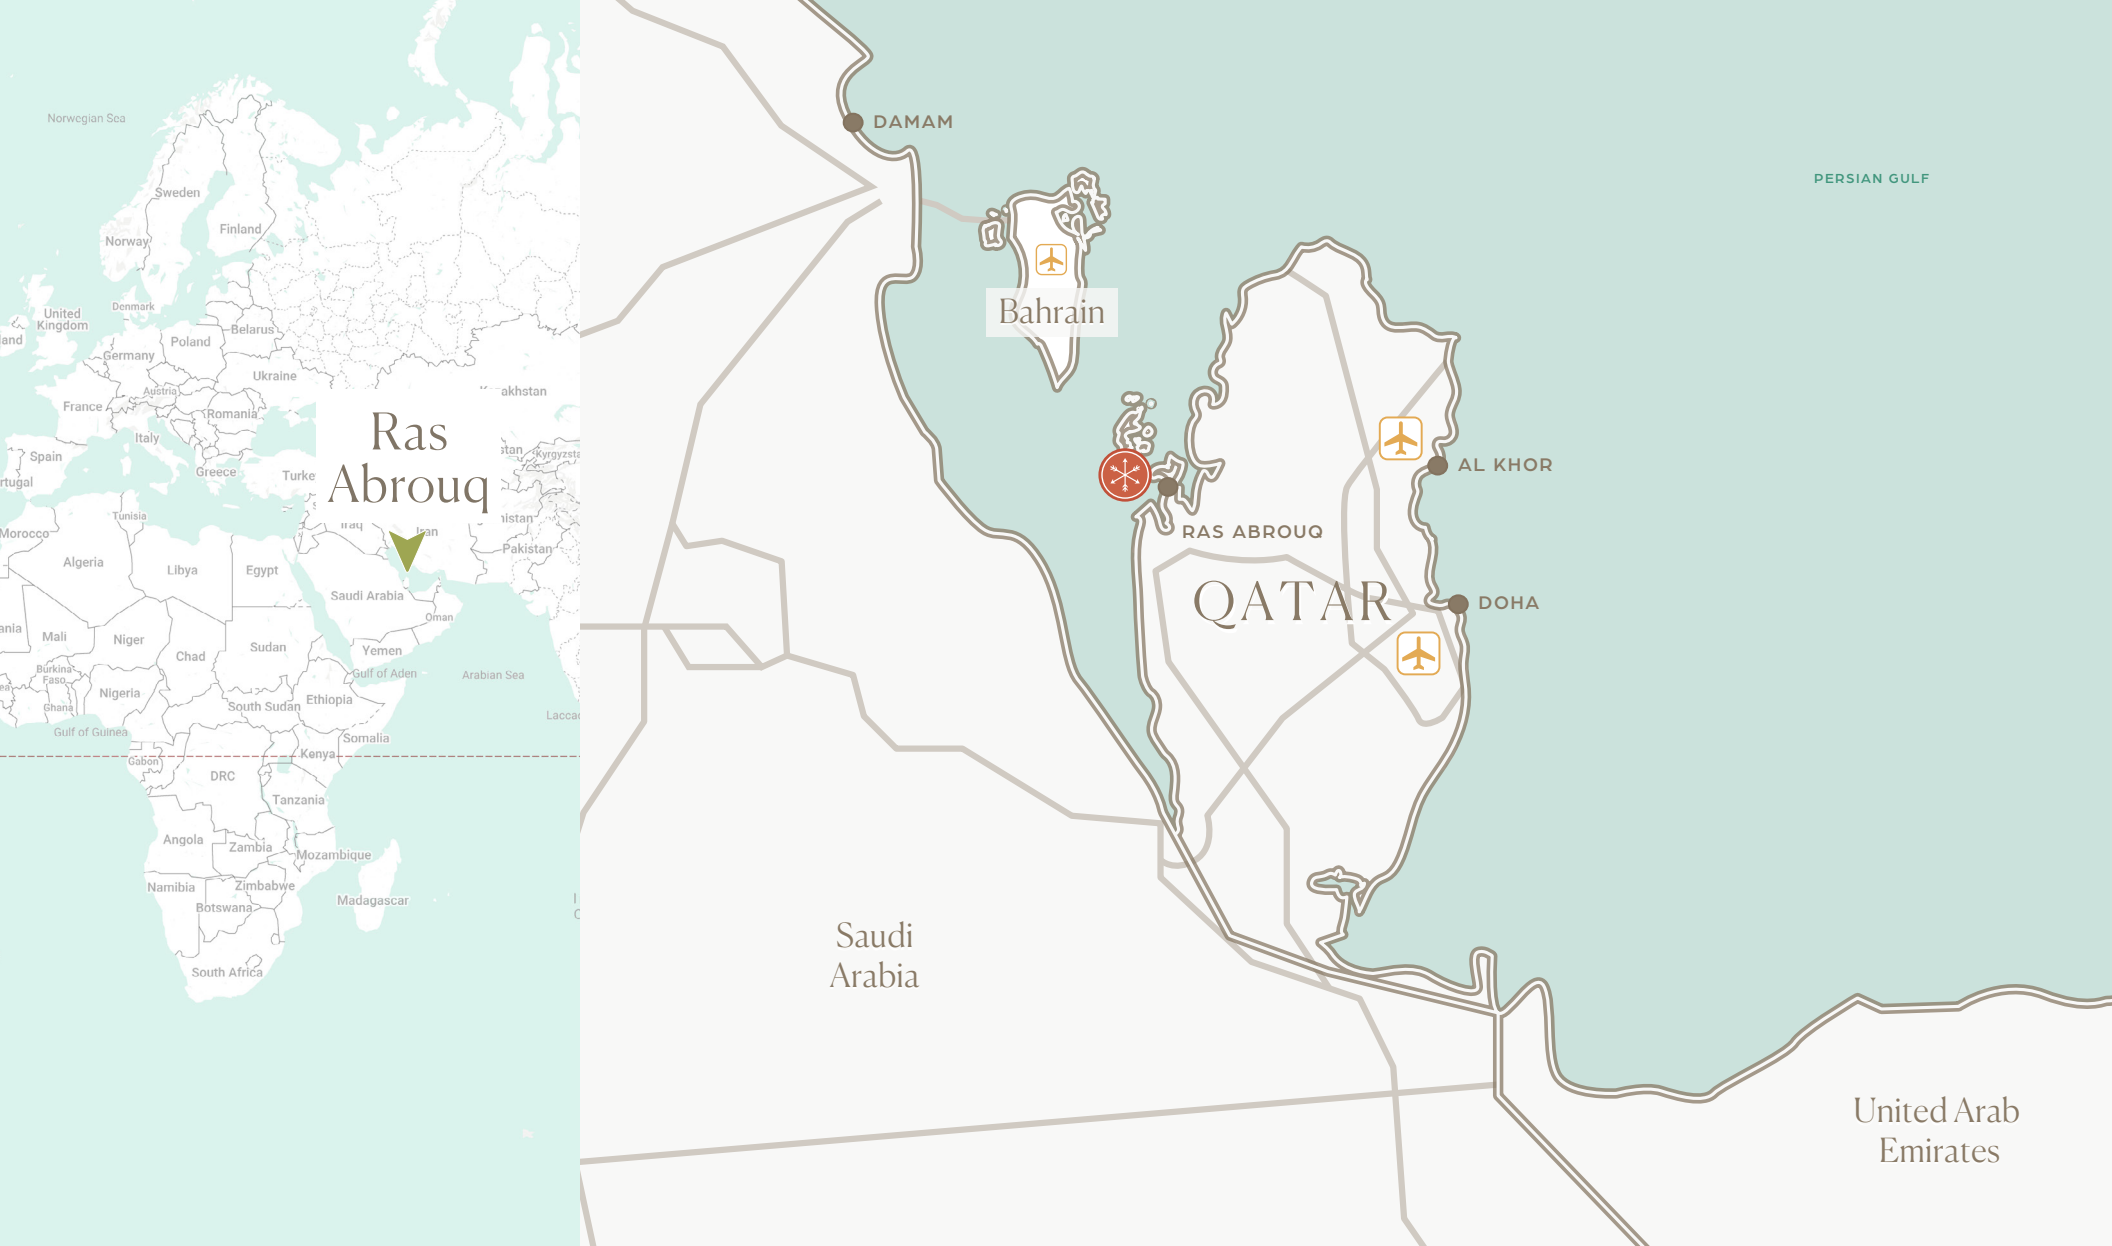

Dining Experiences

At all of our Homes, we create unique dining experiences as a way to bring people together over a shared meal. Our signature experience is our weekly Family Dinner, which encourages all our guests to engage in conservation and connection.

At our home in Ras Abrouq, our kitchen offers a rustic yet refined cuisine created with techniques that honor local Arabian traditions and the surrounding environment.

Our Location

OUR HOME IN RAS ABROUQ IS JUST OVER AN HOUR'S DRIVE FROM DOHA CITY
AND 90 MINUTES DRIVE FROM HAMAD INTERNATIONAL AIRPORT, DOHA, QATAR.

Found off the beaten path, we highly recommend use of our map and directions, as we invite you to join us in exploring untamed landscapes that are out of reach from Google and other conventional GPS apps. Let's explore.
